

COVID-19 POLICIES

LINE UP. Dancers should line up outside in the designated area at their class time. We apologize, but dancers will not be allowed inside prior to their scheduled class time.

MASK ON. Dancers 6 years and up will need to wear a mask, gaiter, or face shield coming into the studio.

TEMPERATURE CHECK. We will take students' temperatures as they enter the studio. Children with a temperature over 100 will be sent back to their parent's vehicle to return home.

SANITIZE. Dancers will sanitize hands upon entry to the studio. Sanitizer is placed in all classrooms as well. Instructors and staff will regularly disinfect highly touched surfaces, including but not limited to floors, barres, tumble mats, doorknobs, and bathrooms.

SOCIAL DISTANCE. Dancers will have individual dance spots to promote social distancing while in class. Students are expected to social distance while entering and exiting the studio as well. Attendance will be taken in every class to facilitate contact tracing, if necessary.

MASK ON. Dancers 6 years and up will need to wear a mask, gaiter, or face shield when exiting their classroom and the studio. Dancers may be released from class 5 minutes early to help with social distancing and give teachers time to sanitize surfaces.

STAY HOME. Parents are expected to screen their child for COVID-19 or other transmissible disease symptoms. Anyone with a cough, difficulty breathing, head lice, fever higher than 100 degrees, sore throat, or loss of taste or smell should stay home.
